## **City of Chicago Action Plan Links**

The following are various Vision Zero Action Plan links relevant to the City of Chicago and the Ogden Avenue Corridor Improvements Project.

<u>Vision Zero Chicago Action Plan</u> – City-wide Action Plan that details Vision Zero strategies and policies for the City of Chicago.

<u>High Crash Corridors Framework Plan</u> – City-wide Action Plan that identifies pathways to deploy Vision Zero strategies in high priority, high crash corridors efficiently and equitably.

<u>Vision Zero West Side High Crash Area Plan</u> – West Side Action Plan tailors Vision Zero strategies and policies to high crash corridors in Chicago's west side historically disinvested communities using the *High Crash Corridors Framework Plan* and through extensive community engagement.
